PLAYBOY'S BOOK OF
LINGERIE

PLAYBOY PRESS

Mother Nature is at her mellowest and most generous during the summer months. In celebration of all that's bountiful, we've filled this issue of *Playboy's Book of Lingerie* with sumptuous, sensuous innerwear that women often choose to wear outside just for the sheer joy of it. And speaking of sheer joy, we've put together a multipage collection of second-skin bodysuits designed to cool off everyone except the observer. Cover model Neriah Davis projects an image of the wholesome sexiness that is prevalent during this season, giving us another reason to pause and appreciate our blessings.

Waving a cowgirl hat, as she does on our cover, is natural to Neriah Davis. She loves horses. Her enduring ambition is to train and board them on her own farm. In the meantime, Neriah's getting lots of film exposure. This summer she appears in *Last Action Hero* and an ABC-TV movie.

Granny may not have been hip, but she was cool. Patricia Ford (above left) and Michelle Smith (above right) seem to have been rummaging in the attic, their efforts rewarded with the discovery of yesteryear's underwear staple, ruffled pantaloons. New-Ager Amy Weber (right) slips off her ageless jeans, displaying a G string panty.

Corinna Harney (left) reflects the ideal summer image: sun-bleached hair and pale-hued, body-skimming attire. Angela Melini (above left) picks a passionately purple color for her ventilated teddy. Sasha Rudin (above right) opts for the utter simplicity of a neat, sweet, petite bikini.

In a gesture of international camaraderie, Melodie Hampson (above) gives equal time to the Union Jack and the Stars and Stripes for a Fourth of July celebration. Laura Slowinski (right) goes totally patriotic in red, white and blue for the evening's spectacular fireworks display.

Looking every bit like a decorative work of art, Anna McDowell (left) is completely at home among Deco pieces. Tizer Bailey (above) and Tracey Coleman (below) greatly enhance their surroundings just by their presence. Lacy shadows dance sensually across Melodie Hampson (overleaf) and her delicate, beribboned intimate wear.

Contemporary or classic, intimate apparel has enormous appeal for the thoroughly modern woman. Stephanie Adams (above) is purely sensational in a thong-back bodysuit. Kim Egler (right), maintaining swimsuit tradition, enjoys her moment in the sun in a lace bikini bottom.

A trio of vibrant beauties takes a stand in favor of summer's minimalist lingerie. Jennifer Moore (far left) shows up in hot shades, abbreviated coverage. Wendy Kaye (left) and Kayla Childress (above) choose items made of fabrics that are so filmy, they're barely visible.

A girl's choice of apparel often offers a clue to her approach to life. There's nothing timid about Deniece Wenzl (above left) or her clothing; Ria Coyne (above right) shows a flair for the dramatic in basic black; and Kimberly Bachofer (right) exudes confidence in scarlet.

Monique Biffignani lavishes attention on her car's exterior. Buffed to a satin finish, it reflects Monique's magnificent chassis. She treats herself to a few sensual moments of sun bathing as reward for a job well done.

In lingerie so sheer it looks
like mist, Christina Leardini
(left) gets the kinks out with
an early morning stretch,
while Gina Sineni (below)

simply stretches out. Mean-
time, Deborah Mills (overleaf)
stretches our imagination
in her lace girdle, opera
gloves and studded shades.

Cindy Margolis (above), Corrie Singer (right) and Suzi Simpson (far right) abandon the steamy city for a long weekend in the country. Cindy is fetching in an eye-catching merry widow. Corrie chooses earth tones for her bra and barn-dance skirt. Suzi goes for a walk in the high grass wearing only a bandanna-print bra.

Settlers of the Old West had no idea they were setting fashion trends that would last—and thrive—for a hundred years. Lisa Madison (left) updates chaps with studs and a leather bra. Ashley Rhey (above) knocks 'em dead in a sheer teddy, Stetson and once-upon-a-time gunbelt.

When temperatures soar, Leah Luchette (above) and Nicole Dean (right) cool out in camisoles. Colette Wodarz (far right) peels down to her cropped top to soak up a few minutes of the season's life-giving rays.

The heat is on and clothes are coming off. Jacqueline Sheen (left) goes barely native. Sonia Vassileva (above) is above it all in a wicked bustier-and-garter set, but can she resist a skinny dip for long? Sharleene Woodsford (below) strips down in a sudden summer shower. Natalie Duggan (overleaf) would make a great lounge act.

Three approaches to outdoor dressing: Tera Tabrizi (left) wears a thong under a breezy little frock; Jill Terashita (above left) uses her muslin petticoat as a skirt; Sharon Rinaldi (above right) likes a long-line bra with her shorts.

Lori Messuri (above) and Kári Ross (right) stroll in their gardens in bikinis, enjoying nature's essence. Teresa Langley (far right) loves being unencumbered by clothing. Alone in a shaded dell, Lisa Madison (overleaf) toys with her hat and our affections.

Getting into the spirit of summer, Ashlie Rhey (left) and Gina Cabero (above) take turns weaving their enchanting spells. Rolled down panties and an unbuttoned cami suit Ashlie's teasing mood. Gina twirls playfully in her full-circle petticoat, revealing a scalloped bikini underneath.

Intimate apparel has finally broken out of the bedroom and entered everyday life. Kári Ross (above left) enjoys breakfast on the balcony in hers. Tammara Wheeler (above right) prefers lingerie for leisure time. Patricia Ford (right) even visits her workshop in a teddy. Tanya Beyer (overleaf) takes it lying down, but is up for anything.

Women adore flowers—in a window box, from a florist or on their undies. Kerri Hoskins (above left) and Victoria Bowman (above right) are abloom in their flounced panties. Brittany York (right) primps in a patterned teddy.

Moody blues and lavender
hues create an ambience
for serious contemplation,
especially when the weather
turns torrid. Amanda Forbes'

lightweight chiffon ensemble
(left) is certainly thought-
provoking and the teddy on
Wendy Hamilton (above) is
positively mind-boggling.

Even heavy, languorous summer days occasionally require dressing up in full regalia, stockings and all. Jody Hoskins (above) may have a dinner date, hence the triple strand of pearls. Porchia Dallas (below) looks fashionably kinky in leather and chain. Gina Cabero (right), following summer's dictate, dresses head to toe in white.

Nicole Dean (left) shows us two of her favorite things, a transparent bra and the front porch rocker. Cascia Jones (above) gets casually comfortable in a sleepshirt.

Could summer exist without baseball? It's called the national pastime, though we still argue that girl watching is a much more popular sport. Even so, Natalie Duggan (left) might wear her lucky lingerie when she roots for the home team. Maybe Margie Murphey (above left) is dressing for a Cardinals game. Carrie Yazel (above right) will miss the first pitch if she doesn't get a move on fast. Cida Costa (overleaf) is in no hurry; she's a soccer fan.

And now for something special: a collection of see-through lingerie and the sheer beauties who model them. A stunning net torso, solid-bottom bodysuit on Christy Sandoval (above) is a great beginning. Brittany York (right), in a halter top, adds long, pale gloves for a decorous effect.

Lori Jo (left), Betty Romans-McKinney (above left) and Cathy St. George (above right) demonstrate the range of colors and options available in this versatile garment. Lori Jo's comes with a built-in bra. Lace-panty detailing accents Betty's version. Cathy recognizes the perennial appeal of unadorned, scoop-neck coverage in black.

Everybody into the pool. Whoever said you had to wear a suit—or anything at all, for that matter? Jacqueline Sheen (above) shimmers in a full-cut bodysuit that might cover swimwear. Gina Cabero (right) likes hanging out by the pool, sending fellow sun worshippers into a swoon dive.

Haley Altman (far left) takes pleasure in a cob-web design; Lorraine Olivia (left) creates a hot spot in a quiet corner; Jennifer Moore (above) is caught in fishnet; and Patricia Ford (over-leaf) is a stunning image with which to close our close-up on gorgeous bodies and bodysuits.

Keisha Case (above) and Lori Jo (right) relax in the sunshine, all too aware of the dwindling days in which they can spend hours outside in sexy skimpies. While there's still time to play, Keisha takes a cue from nature, covering her bra with delicate silk petals, as golden girl Lori Jo maximizes her exposure to summer's final golden rays.

Under the influence of heat-induced haze, some women remember the basics, but get a little foggy about details. Lisa Madison (left) doesn't even want to think beyond a summer of sailing in tiny togs. This young lady (above) may or may not get around to hooking up her stockings.

Danielle Fradette (above left) uses almost no makeup in the summer. That's the same approach she applies to her lingerie. Kimberly Marie (above right) believes she's sensibly dressed for warm-weather living, and we agree. Heidi Staley (right) eagerly divests herself of all clothing, anticipating a long session in a cool shower.

When packing for a vacation, fill your suitcase and then take out half of the clothing. That's an old axiom, and easier said than done. Tina Martin (above) likes to be coordinated wherever she is. Kristine Rose and Cristy Thom (right, from left to right) obviously overpacked. Now they're having trouble fitting everything in for the trip back home.

Stark, unyielding backgrounds are in sharp contrast to the suppleness of lingerie. Lia Boe's curves (above) outline the structure of a bra and thong. Christina Shei (right) gives form to body-hugging garments, then redefines a matched camisole and panty as liquid gold (overleaf).

There may be a hot time in the old town again tonight, so the ladies look for cool spots and rid themselves of unnecessary apparel. Bobbi Fade (above) removes her teddy. Haley Altman (right) steps outside in camisole and tap pants. Betty Romans-McKinney (far right) is unwilling to be confined by even a lightweight nightie.

Brandi Downs (left) looks
hale and hearty after a
hectic season in the sun.
She seems justifiably
pleased with herself. The

two friends above, indulg-
ing in an afternoon nap,
may have found the secret
to looking good day and
night: play hard, rest easy.

A loosely woven lace bodysuit is perfectly suited to play, and Kaylin Brookes (left) is in the mood. Building up stamina for eighteen holes of golf, Kelly Jackson (above) enjoys a healthy breakfast in her dressing gown.

Black and white imagery often tells the boldest story. Monika Locket (left) eschews frills, satisfied with simple ebony lingerie. Carol Dudley (above) and Lisa Chilcott (below) let nothing intervene between them and intricate lace patterns. Charmaine Garth (overleaf) loosens the ties that bind elegantly pristine intimate apparel.

Fashion fads come and go, but one thing that remains constant is the allure of a beautiful woman wearing dainty innerwear. Tracey Coleman (above) proves our point in a classic floral print. Annamaria Kalebic (below) glows in a charming chemise, and Cristy Thom (right) smolders in a delicious teddy. We wouldn't change a thing.

Retro styles are everywhere, but fortunately they haven't had a major impact on lingerie as yet. Lisa Gimenez (left), Donna Salvatore (above left) and Shannon DeShay (above right) are women of the Nineties in G strings and a bikini. Sue Ethridge (overleaf) inspires an ode to the body beautiful and plenty of paeans to thongs.

Inside/outside bustiers add special zest to a woman's wardrobe. In the photo at left, Gina Cabero (left) and Natalie Duggan (right)

model two season-spanning, bespangled styles. Shanine Linton (above) likes lavish fundamentals, all the time and everywhere.

Even as the mercury drops, Monique Biffignani (above) and Lisa Madison (right) linger outdoors as long as possible, savoring the last days of this sensual season. Christina Leardini (overleaf) may also be feeling a touch of nostalgia for a nearly bygone summer, fading all too quickly. Happily, many of these models will be back in a couple of months to help us celebrate autumn in our next issue of *Playboy's Book of Lingerie*. It's sure to be fun.
